

## Comments, complaints and suggestions

**Our aim is to provide the highest level of care for all our patients. We will always be willing to hear if there is any way that you think that we can improve the service we provide.**

If you have any complaints or concerns about the service that you have received from the doctors or staff working for this practice, please let us know.

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know **as soon as possible** – ideally within a matter of days or at most a few weeks – because this will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 6 months of the incident that caused the problem; or
- Within 6 months of discovering that you have a problem, provided that is within 12 months of the incident.

Stefan Morawiec, our practice manager, will be pleased to deal with any complaint. He will explain the procedure to you and make sure that your concerns are dealt with promptly. You can make your complaint:

***In person*** – ask to speak to Stefan Morawiec

***In writing*** – some complaints may be easier to explain in writing - please give as much information as can, then send your complaint to the practice for the attention of the to Stefan Morawiec as soon as possible

### What we shall do

Our complaints procedure is designed to make sure that we settle any complaints as quickly as possible.

We shall acknowledge your complaint within 2 working days and aim to have looked into your complaint within 10 working days of the date when you raised it with us. We shall then be in a position to offer you an explanation, or a meeting with the people involved.

When we look into your complaint, we shall aim to:

- find out what happened and what went wrong
- make it possible for you to discuss the problem with those concerned, if you would like this
- make sure you receive an apology, where appropriate
- identify what we can do to make sure the problem doesn't happen again.

At the end of the investigation your complaint will be discussed with you in detail, either in person or in writing.

### Complaining on behalf of someone else

**Please note that we keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have his or her permission to do so. A note signed by the person concerned will be needed, unless they are incapable (because of illness) of providing this.**

**What you can do next**

We hope that, if you have a problem, you will use our practice complaints procedure. We believe that this will give us the best chance of putting right whatever has gone wrong and the opportunity to improve our practice.

However this does not affect your right to approach the local Primary Care Trust if you feel you cannot raise your complaint with us *or* you are dissatisfied with the way we are dealing with your complaint. The Patient Advice and Liaison Service based at Hampshire PCT provide confidential advice and support, helping you to sort out any concerns you may have about the care we provide, guiding you through the different services available from the NHS

If you remain dissatisfied with the responses to your complaint, you have the right to ask the Healthcare Commission to review your case. The Healthcare Commission is an independent body established to promote improvements in healthcare through the assessment of the performance of those who provide service. You can contact them on 020 7448 9200, or write to them at:

**Help us get it right**

We constantly try to improve the service we offer.

Please let us know when you think we have done something well or if you have any suggestions as to how we can do something better.

I should also like to inform you about the Independent Complaints Advocacy Service (ICAS). ICAS is an organisation that provides support to people if they have a complaint regarding NHS treatment. The telephone number for ICAS is 0845 6008616 and their address for this area is **1<sup>st</sup> Floor, Clarendon House, 9-11 Church Street, Basingstoke, RG21 7QG**. ICAS can help you with the complaints process, refer you to other relevant agencies regarding your complaint, meet you at your home or in a place you feel comfortable if it is not possible for you to visit their offices and generally support you through the complaints process.
